Origins of Rishi Mandala Vidya

- ❖ Originated by Rishi Agasthya
- ❖ During Raamayana, Rishi Agasthya initiated, 'Adithya Hrudayam' to Shri Raama - After chanting this 3 times, Shri Raama was able to slay Raavana
- ❖ All the three worlds stood astonished by the Supreme energies of the 'Adithya Hridayam'
- ❖ Many Rishis, Devathas and even two Rakshasas, Bala and Athibala prayed and asked Rishi Agasthya - What is that Mantra? What is the path called? Who is the Adhidevatha?

Origins of Rishi Mandala Vidya...

- ❖ “Please elaborate and initiate us into this Supreme energies”
- ❖ Rishi Agasthya replied, “ This is SOURAPATHAM, the most secret and esoteric path. The Devatha is SOORYANARAYANA. This is the path of Brahma Vidya. Only those who has ‘purva janma samskaras’ can understand and get initiated into this untrodden path. Pass this vidya only to the chosen ones”
- ❖ Thus began the ‘SOURAPATHAM’
